### **QUIT AND VACATE THE ROOM AND PALOUR YOU OCCUPIED**

This is to remind you Mrs Victoria that the time to evict the property/ house you are occupying, it's no longer a place for you. Your tenancy was extended till September ending but a month was added so as to get your bags and baggages out of that house (25, Irepodun Avenue off Adeshina street, Ijeshatedo Surulere).

You agreed to vacate but it seems you are not ready, We the family are now telling it to you to evict the house.

Please, let us do it with love and set all things right. Deliver all the keys of the place you occupied.

Yours Sincerely,  
Onamuti & Children.
